

# ***T3 Webinar Traffic Incident Management (TIM) Performance Measures***

June 12, 2014

**Susanna Hughes Reck**

Office of Transportation Performance Management

## *Objectives*

- Broad overview of MAP-21 PM Provisions
- Rulemaking scope, content and approach
- Schedule
- Communications and outreach

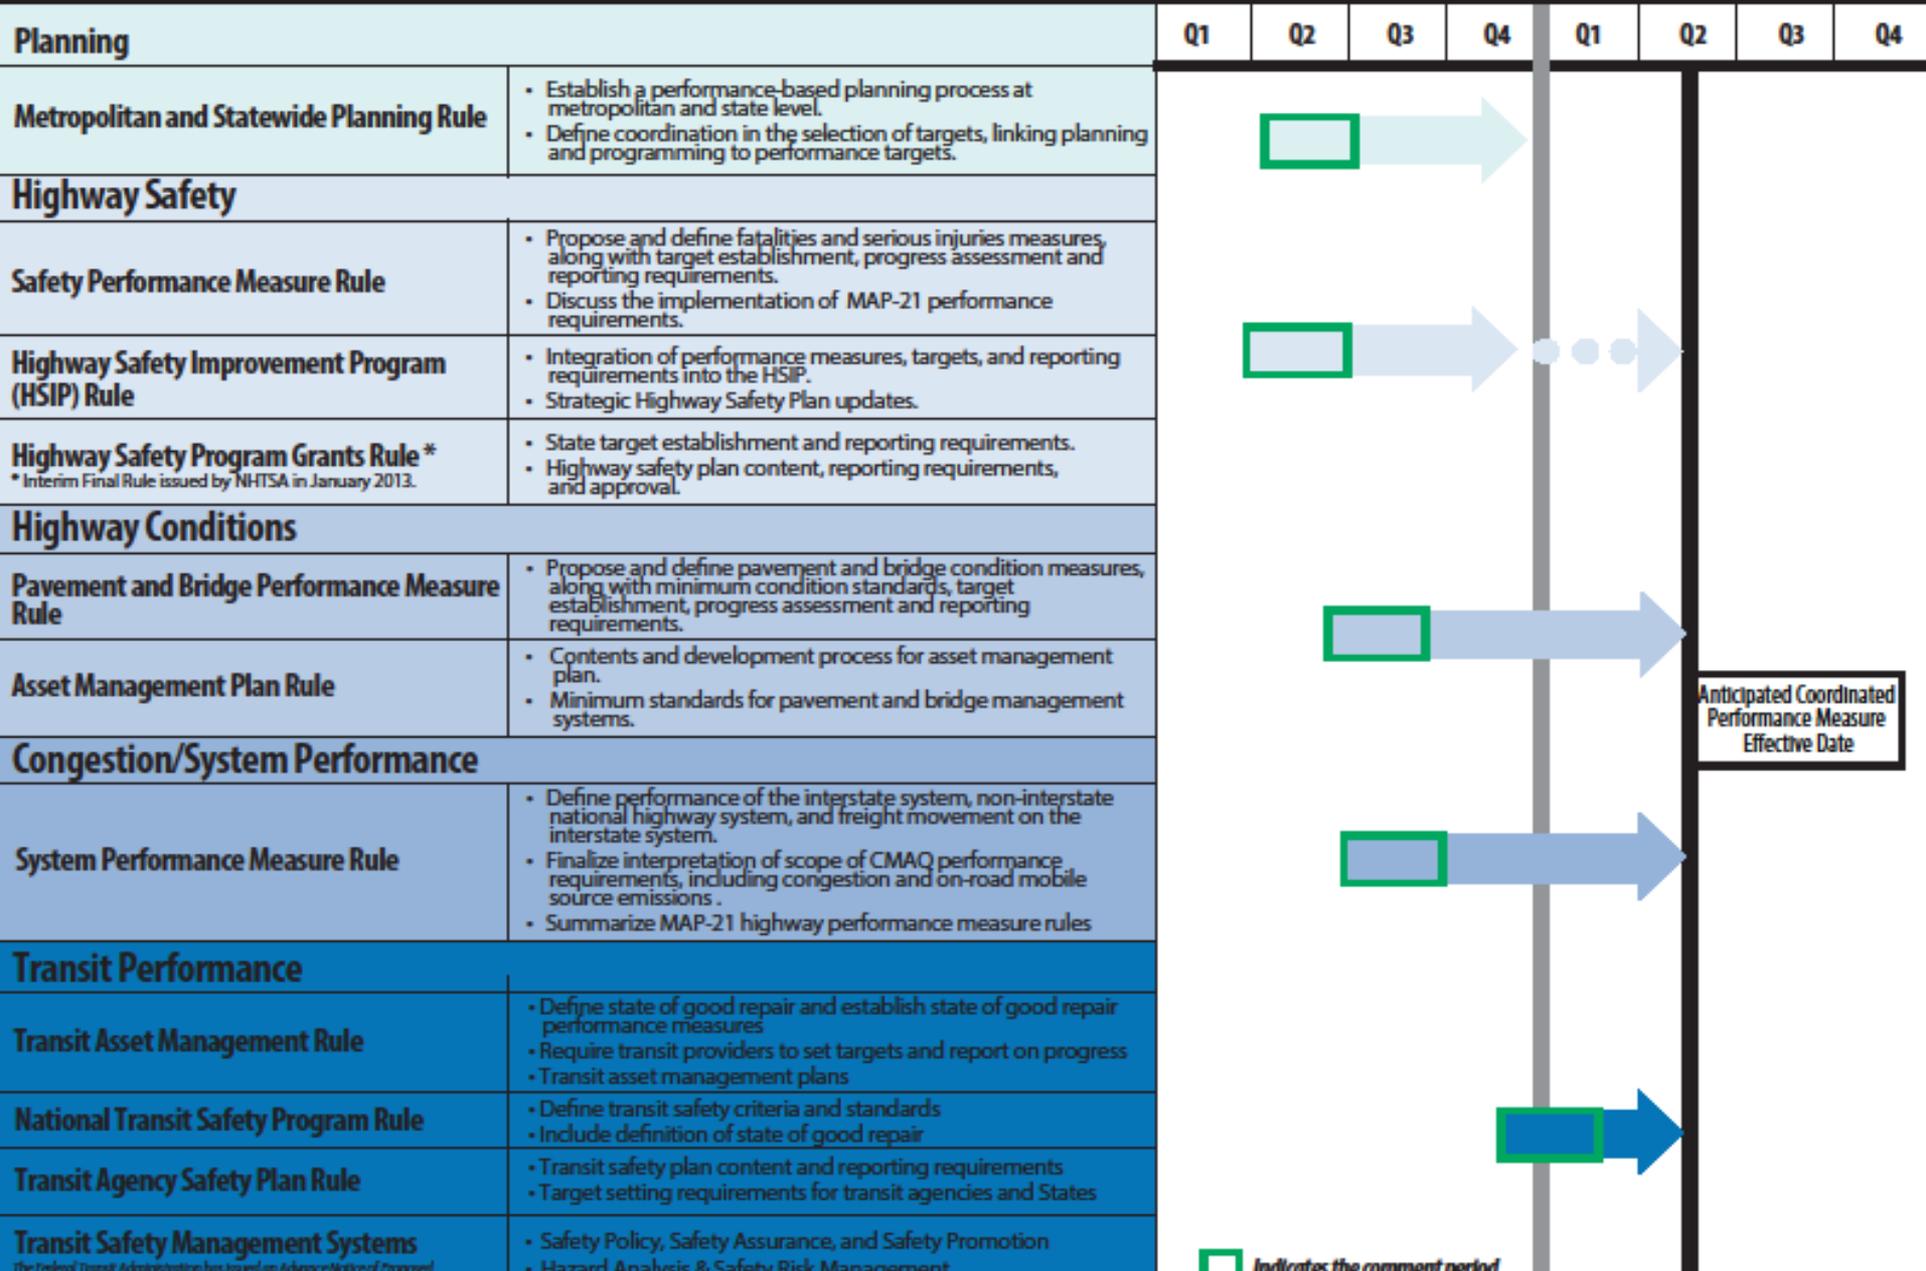

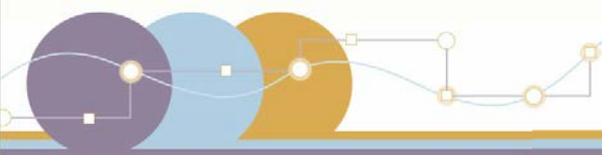

## ***MAP-21 Background-Performance***

- ***National Goals*** –Focuses the Federal aid program on 7 goals supported through the statewide and metropolitan planning process.
- ***Measures*** – USDOT to establish performance measures through rulemaking
- ***Targets*** - All States, Metropolitan Planning Organizations (MPOs), and public transportation agencies required to establish targets for each of the measures established by USDOT.
- ***Plans*** – All States, MPOs, and public transportation agencies are required to develop a number of plans to document strategies and investments to address performance needs.
- ***Reports*** – All States, MPOs, and public transportation agencies are required to report on progress toward the achievement of their targets.
- ***Accountability*** – All States will be held accountable to making significant progress toward the achievement of their targets established for the National Highway Performance Program (NHPP) and the Highway Safety Improvement

# 11 Inter-related Rulemakings

	• On-road mobile source emissions
	• Freight Movement
	• Performance of Interstate System
	• Performance of Non-Interstate NHS

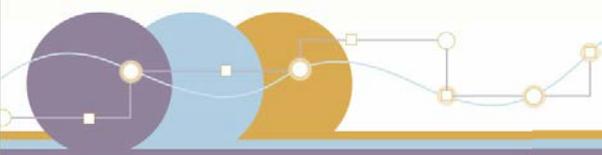

## FHWA Proposal Comment Periods - 2014

## ***Rollout of the NPRMS***

- For each NPRM, FHWA plans to have:
  - NPRM Informational launch events
  - An informational session at relevant national conferences, upon request
  - Additional supplementary webinars scheduled to focus on details of target setting, progress achievement and/or other requirements
- Comments will not be accepted during these informational sessions.
- All Public Comments should be submitted through the E-docket for consideration in the final regulation
- Public comment periods will be a minimum of 90 days for all NPRMs except the HSIP and TAMP NPRMs which is 60 days.

# Transportation Performance Management

**NPRM Status** <http://www.dot.gov/regulations/report-on-significant-rulemakings>

Performance Area / Element	NPRM Target
